

Individual Event Super Stars

Becoming a Super Star: Top scoring individuals in each event at select competitions. Must have at least 2 age divisions represented to qualify.

Example: If there is a Mini Jump Only competitor and a Junior Jump only competitor at the competition, the two athletes will qualify for Super Star status!

If there were only 2 Jump Only athletes in the same age division and no other age division was represented for Jump Only then no one would qualify for Jump Only Super Star status.

Super Star Recognition: Announced at Individual Event Awards Ceremonies. Super Stars receive a ribbon and will be recognized on Cheer Power's website. Super Stars are invited to participate at the Cheer Power High Point Red Carpet event on March 11, 2016 in Galveston, TX. This is where the Super Stars will receive a Super Star T-Shirt and will be able to walk the Red Carpet as a Super Star. Athletes must be present at the Red Carpet Event to receive the Super Star Award.
