

# AMERICAN CHEER POWER IASF PROVISIONAL DIVISIONS

## GUIDELINES

ACP is excited to announce that we will be adding the 11 IASF Provisional Divisions to ACP Midwest World Bid National Championship. Teams in these divisions will only compete once (on Friday) and will have an Awards Ceremony that same evening/night. National Champions in each of these divisions will receive an ACP Champion Trophy, National Champion Banner, and National Champion Hoodie.

ACP will be giving up to 4 At Large Summit Bids to teams in these divisions

### **Crossover Rules:**

- You may cross as many athletes as you would like from a standard division into one of these INTERNATIONAL divisions. This also means an entire team could compete Friday in an INTERNATIONAL division and again, with the same routine, in a standard division on Saturday/Sunday.
- Must still follow USASF Crossover Guidelines:
  - An All Star cheer athlete is limited to crossing over to 2 (two) additional cheer teams from their program per competition. Therefore, an athlete may compete on one team and crossover to two more teams from the same program during the competition.

Like our other divisions, a program will receive two free Coaches Credentials for each team registered. Registration Fee for these divisions is \$110 per athlete. Crossover discounts do not apply.

If you would like to register for this division or add this division to your registration, email: [katie@cheerpower.com](mailto:katie@cheerpower.com)

\*Teams from any country may compete in these divisions at ACP Nationals, but only teams from US and Canada are eligible for Summit bids.
